

Sports Based Mentoring

A programme of life skills training and sports development, designed to better individuals physical, social, moral and educational growth. We at SLAM! are dedicated to using engaging and enjoyable physical activity and play, to positively transform attitudes and behaviour.

- Our community sports role models deliver high-quality sports coaching with professional and international playing experience.
- The uses of the Sport Leaders UK's, Community Sports Leadership Award, to capacity build and train employable skills, are valued in our programme.
- Mentoring in the forms of 1 to 1, peer, group, circle time are utilised to influence increased self and team development.
- Experienced educational practitioners provide tailored tuition, or study support, to intervene educational and social disaffection.

Sports Based Mentoring's inclusive approach to learning is the backbone of SLAM's services. For more details contact Douaine Anderson on 01902 656387 or 07794490007
