

SLAM! Basketball Academy

Some GREAT news

Our Ladys & St Chads approve proposal for SLAM!/OLSC Basketball Academy. SLAM Basketball will move our services to the school, making OLSC our new main base from April 2009.

A steering group of Academy stakeholders has been created; including SLAM! Directors, OLSC Senior Management, a OLSC School Sports Partnership Development Manager and Community Sports Manager to raise funds/resources for the 5 year programme. OLSC are dedicated to making basketball the school's number 1 sport.

These are exciting times for SLAM! Basketball in its two year existence.

There is alot more good work to be done but we believe in mission and we thank those who are all supporting to make these opportunities happen.

Thanks for everything!
